

# Human M. Fatemi, MD, PhD

ART Fertility Clinics

Human M. Fatemi currently holds the position of Group Medical Director of ART Fertility Clinics in Abu Dhabi/Dubai and Muscat.

He earned his MD degree (magna cum laude) at the Vrije Universiteit Brussel (VUB) in Brussels, Belgium, in 1999.

In 2008, he was recognized as a subspecialist in reproductive medicine and surgery by the European Society of Human Reproduction (ESHRE) and the European Board and College of Obstetrics and Gynecology (EBCOG), and successfully defended his PhD thesis on the endocrinology of the luteal phase in stimulated and substituted cycles. In 2009, he was appointed Clinical Professor at the University of Brussels, a post he held until 2014; he is also a visiting professor at Dubrovnik International University in Dubrovnik, Croatia, and at Shahid Beheshti University of Medical Sciences in Tehran, Iran.

Professor Fatemi is interested in many fields of gynecology, reproductive endocrinology, and surgery. As of September 2020, he has authored 140 internationally peer-reviewed articles and book chapters with a citation report of over 2400 and a H-Index of 27.

He is an invited reviewer of journals including *Human Reproduction*, *Human Reproduction Update*, *Fertility and Sterility*, and *Reproductive Biomedicine Online*, *Plos One* and *BJOG*. Currently, he is an associate editor of *Frontiers of Endocrinology*.

He has given more than 200 invited spoken presentations at international conferences around the world. Professor Fatemi has been awarded several grants, including a Pfizer Educational Grant as best graduate fellow in gynecology in Brussels, Belgium, and research grants from Organon, MSD, and Merck.
